Noteworthy News

Using a grant from the Massachusetts Downtown Initiative, the city of Beverly has commissioned a study by an independent economic development research firm to explore the potential for a hotel in its downtown. The City is asking businesses in Beverly and the surrounding communities to participate in a brief survey about their use of function facilities and the business travel/overnight visitors generated by their company. **To complete the survey, click here.** If you have questions about the study, please contact Emily Hutchings, Associate Planner for the city of Beverly, at ehutchings@beverlyma.gov.

Business Spotlight

Greater Beverly Chamber of Commerce Board of Directors

Greater Beverly Chamber of Commerce, 100 Cummings Center, Suite 107-K, has been a member of the Cummings Center community since 2011. GBCC represents the business community within the city of Beverly and surrounding communities. The member businesses participate in a number of GBCC-sponsored activities, programs, and events that help support the business climate and quality of life within the community.

It uses the funds it receives to do business *for* business by working with local and state legislative advocacy groups and sponsoring focused business, networking, and educational programs. It acts as the number one referral service in Beverly and surrounding communities. For more information, visit the **website** or stop by Suite 107-K.

Friendly Reminder

Fire Alarm Safety: In the event a fire alarm sounds, evacuate the building immediately. To ensure the safety of yourself and others, please remain a safe distance from the building. This will allow everyone to evacuate the building without hindering the efforts of the fire officials. Should such a fire or any other building evacuation emergency occur, wait for police or fire officials to announce that it is safe before re-entering a building. In the event that you accidentally trigger an alarm, please remain present and communicate what occurred to the fire department.
